

Kick A Rock
Music and Lyrics by The Tadago Brothers

1st Verse

I recall the day
When I got my first play
I was Mama's boy and Daddy's tool
All I had was time
And nothing on my mind
I used to kick a rock walking home from school
The 3rd grade's really hard
When you get your report card
And the best that you can do is Cs and Ds
But there's a girl lives on your block
She sees you kick the rock
And thinks your marks are satisfactory

Chorus

So kick a rock now from home to school
Yeah kick a rock then she'll think it's cool
Kick a rock, kickback, wait and you will see
Kick a rock forward back to class
Yeah kick a rock hard and you will pass
This thing called love is elementary

2nd Verse

Saturdays are off
No time to watch the clock
It's climb your bike and ride on by
No need to kick the rock
Just skate like Tony Hawk
And eat some fresh Tadago~Pie
Now Monday's come around
You hear that school bell sound
Can't find the rock you kicked to school
So you search the dirt playground
And check the lost and found
It's in your pocket and you feel just like a fool

Repeat Chorus

Solo

3rd Verse

Now the lesson that you've learned
Is sometimes you get burned
And school is a mad, mad mystery
But don't let up and don't get down
'Cause the secret that you've found
Is you kick a rock and find your love for free

Repeat Chorus (twice)
